COMPANY PROFILE

At HTmachines, We believe in “Working for the Customers – with the Customers”.

Our Business Strategy is to build a long-term Client relationship.

We have attracted and retained clients by providing superior customer value-in fact, most of our work is repeat business from loyal clients.

For HTmachines, customers are soul and employees are backbone of the company. The reason behind our success is the consistent team work and strong support of our loyal client's base.

When this company came into existence as an Cable Fault Locating Systems service provider with an aim to deliver the best in industry solutions for clients. Today, we have evolved as a full-fledged CABLE TESTING AND CABLE FAULT LOCATOR Instruments Manufacturer with activities ranging from LT To HV Lines, For Substations, City, MSEB Contractor Etc.

Together with our business associates and our esteemed client, we are sure we will take HTMachines to greater heights.

OUR STRENGTH.

1. Technical Competence
 2. Efficient Management
